

# Summer Activities that Encourage Learning

- Start a book club for your kids & their friends to make summer reading fun
- Make a photo album of your summer adventures & have your kids come up with captions
- Learn to count to ten in 3 different languages together
- Help your kids plant their own garden or herbs in pots indoors
- Create a scavenger hunt & teach your kids how to read a map to complete it
- Help your kids create summer postcards & teach them how to stamp, address, and send them
